Mrs. Friel: "Clean Hands" we have the opportunity to put hand sanitizer dispensers
In each class room. The School District will provide them if we buy the hand
Sanitizer it would be \$550. And will the PTA help pay for this.

It has been asked by the school that we buy a plow to go on the 4 wheeler that Bob uses
so that he can plow the sidewalks instead of doing it by hand. It will cost \$600 and will be used
for the children to keep all sidewalks clear. I propose that we amend the budget to cover this
plow for the school. The Motion to Second was Denise Chambers
